All State Directors dealing with Vocational training Under SDI scheme

Sub: Assessing Bodies for conducting testing / assessment of competencies under skill development Initiative (SDI) Scheme based on Modular Employable skills (MES)

Sir,

As you are aware that modular employable skills courses have already started under skill development initiative (SDI) scheme in the country. SDI was launched last year with an objective to train/ test one million persons in the next five years. under the scheme the testing/assessments of competencies is being done by the independent assessing bodies appointed by DGE&T.

We have already empanelled ten reputed industry organizations as assessing bodies for conducting assessment for MES courses (copy enclosed). However, to have wider reach of assessment of the trainees/candidates, you are requested to provide necessary support to the assessing bodies for conducting assessment under SDI scheme.

you are also requested to direct ITIs/VTPs to intimate assessing bodies after commencement of the training programme indicating number of candidates, name of the courses and tentative dates for completion of the course, so that the competency of the trainees can be assessed immediately after completion of training.

Yours Faithfully
